

Where do I start?

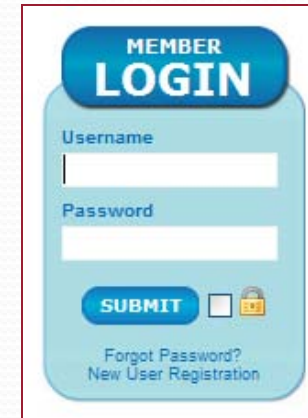

1. Go to www.studyisland.com.

The screenshot shows the Study Island homepage. On the left, there is a 'MEMBER LOGIN' section with fields for 'Username' and 'Password', a 'SUBMIT' button, and links for 'Forgot Password?' and 'New User Registration'. Below this, it states '7.4 MILLION QUESTIONS ANSWERED PER DAY'. The main content area is titled 'WHAT IS STUDY ISLAND?' and describes the platform as a leading provider of affordable, easy-to-use, Web-based standards mastery products. It lists four bullet points: 'Web-based instruction, practice, assessment and reporting built for YOUR state's standards', 'Rigorous academic content that is both fun and engaging', 'Research-based software results for all students', and 'Easy to use on the Web, classroom, library or home'. A 'Top 100 products 2008' award logo is also present. Below this, there is a 'SELECT YOUR STATE' section with a map of the United States and a dropdown menu to select a state.

2. Enter your Username and Password.

The screenshot shows the 'MEMBER LOGIN' form. It has a blue header with the text 'MEMBER LOGIN'. Below the header, there are two input fields: 'Username' and 'Password'. A 'SUBMIT' button is located below the password field. To the right of the submit button are two small icons: a checkbox and a padlock. Below the submit button, there are two links: 'Forgot Password?' and 'New User Registration'.
